

## Welcome to the BENCOR FICA Alternative Plan

Florida International University provides the BENCOR FICA Alternative Plan as an important retirement benefit for all part-time, seasonal and temporary employees not covered under the Florida Retirement System. This letter provides general information about the plan and outlines available resources for you to get more detailed information.

## Key Features of your FICA Alternative Plan

- If you are eligible, you are automatically enrolled in the program.
- Instead of Social Security Tax, 7.5% is deducted from your wages on a *pre-tax* basis and deposited into a retirement account in your name.
- You will permanently save Social Security taxes that otherwise would be deducted from your wages.
- Income taxes are deferred on contributions to the plan until you withdraw the money from your account in the plan.
- Your plan account is always 100% vested and belongs only to you.
