KOGNITO

Difficult conversations with distressed students can happen at any time. FIU's Counseling & Psychological Services is pleased to offer Kognito, an online resource designed to help our faculty and staff improve their mental health literacy and help them identify students showing signs of stress. Learn how to talk about these signs, practice sharing concerns, and motivate students to seek help.

In an effort to better identify and support students in distress, FIU faculty and staff should complete the Kognito online training course. This effort is being undertaken at the request of Florida's Board of Governors

these sessions today at profdev.fiu.edu.
