

Quick Reference Guide: Cancelling a Partially Unprocessed eLeave Request

An eLeave request will not be processed until the requested dates fall within the current pay period. If the request dates fall within two pay periods, only the dates of the current pay period will be processed, the future dates will remain pending (Payroll Status: Partially Processed).

Partially Processed Requests can be cancelled (only pending future dates) before they are fully processed by the Payroll Department (Payroll Status: Processed). Once the request is processed, any leave adjustments must be done directly on the timesheet for the current pay period.
