PREAMBLE

THIS AGREEMENT is between The Florida International University Board of Trustees (FIU/BOT, FIU, Board, or the University) and the Florida Nurses Association, Office & Professional Employees International Union, Local 713, AFL-CIO (FNA Local 713) representing the employees in the Bargaining Unit. It is recognized by the University and the FNA Local 713 that the public policy of the State and the purpose of Part II, Chapter 447, Florida Statutes, is to provide statutory implementation of Section 6, Article 1 of the Constitution of the State of Florida, and to promote harmonious and cooperative relationships between public employers and its employees, both collectively and individually, and to protect the public by assuring, at all times, the orderly and uninterrupted operations and functions of the public employer. It is further recognized by the University and the FNA that terms and conditions of employment of employees are contained in this Agreement and in the University's personnel regulations, policies, procedures, and manuals.

Further, this Agreement defines the University's obligations to the Union and members of the bargaining unit, thus avoiding disputes due to misunderstandings, and provides a procedure for the resolution of any claims that the Agreement has been violated.

Finally, both parties recognize that this Preamble is a statement of intent and, therefore, not subject to the grievance procedure as outlined in Article 4.

ARTICLE 1 RECOGNITION

1.1 Florida International University (University or FIU) recognizes the Florida Nurses Association, Office & Professional Employees International Union, Local 713, AFL-CIO (the Union or FNA) as the exclusive collective bargaining representative of the bargaining unit certified by the Public Employees Relations Commission in Case No. RC-2013-013 to consist of the following:

1.2 All full-time and regularly scheduled part-time employees in the Student Health Services occupying positions in classifications which meet the requirements of a "professional employee" as set forth in Section 447.203(13), Florida Statutes (2003), and who are in a class code and class title as follows: 5290 Registered Nurse; 5291 Senior Registered Nurse; 5294 Registered Nurse Specialist; 5297 Advanced Registered Nurse Practitioner; 5306 Registered Nurse Supervisor; 5308 Senior Registered Nurse Supervisor; and 5311 Senior Registered Nurse Specialist.

1.3 This Agreement specifically excludes employees in positions designated as managerial, confidential, temporary, or emergency status, and all persons paid from other personnel services (OPS) funds and all supervisors, guards and all other employees.

1.4 FIU will not be called upon to recognize the FNA as agent for any of its employees other than those included in the certified unit mentioned above, in the absence of a new PERC certification. When any new job classification is created, FIU will notify the Union. Any dispute as to an individual employee's status or any new classification status as being included or excluded from the bargaining unit will be resolvable through normal legal procedures, and not through the contractual grievance procedure.

EMPLOYEE REPRESENTATION AND FNA LOCAL 713 ACTIVITIES

3.1 Designation and Selection of Representatives - The Executive Director of FNA Local 713 shall annually furnish to the Vice President for Human Resources or designee, no later than July 1, a list of FNA Local 713 Employee Representatives and FNA Local 713 Staff Representatives who are designated to assist in processing grievances. This list shall include the class title and the name of each FNA Local 713 Employee Representative and the address and telephone number of the FNA Local 713 Staff Representatives. FIU will not recognize any person as an FNA Local 713 Employee Representative or FNA Local 713 Staff Representative whose name does not appear on the list. Changes in these representatives may be made by written notice to the University. No more than two (2) employees may be designated as FNA Local 713 Employee Representatives.

3.2 Representative Access - FNA Local 713 Staff Representatives shall have access to the premises of the University in accordance with policies regarding public access to State property and may request access to premises not available to the public under University policies. Such requests shall be made to Office of Employee & Labor Relations (ELR) and indicate the premises to be visited, the employees with whom the representative wishes to speak, the grievance being investigated, and the approximate length of time the representative will require such access. Permission for such access for the purpose of investigating an employee's grievance shall not be unreasonably denied and shall be limited to the working hours of the employee with whom the representative wishes to speak. Such access and investigation shall not impede University operations. FNA Local 713 shall have the right to use University facilities for meetings on the same basis as they are available to other University-related organizations.

3.3 Consultation - The Vice President for Human Resources or his/her designee shall meet with FNA Local 713 Employee Representatives to discuss matters pertinent to the implementation or administration of this Agreement, University actions affecting terms and conditions of employment or any other mutually agreeable matters. The meetings shall be held on a mutually convenient date. The party requesting consultation shall submit a written list of agenda items no less than one (1) week in advance of the meeting. The other party may also submit a written list of agenda items in advance of the meeting if it wishes to discuss specific issues. The University and FNA Local 713 understand and agree that such meetings may be used to resolve problems regarding the implementation and administration of the Agreement; however, such meetings shall not constitute or be used for the purpose of collective bargaining. If a consultation meeting is held or requires reasonable travel time during the working hours of any employee participant, such participant shall be excused without loss of pay for that purpose. Attendance at a consultation meeting outside of regular working hours shall not be deemed time worked.

3.4 Bulletin Boards - Where official bulletin boards of the University are available in the student health centers, the University agrees to provide space on such bulletin boards for FNA use in accordance with University policy. The materials posted on the boards shall be related only to FNA matters and shall not contain anything reflecting adversely on the University or any of its officers or employees, nor shall any posted material violate or have the effect of violating any law, rule, or regulations. Posted materials must be dated and bear the signature of the FNA's authorized representative.

3.5 Agendas, Rules and Employee Information Provided - FIU shall provide FNA with the website address where it can view the agenda and approved minutes of meetings of the Board of Trustees.

3.6 Upon written request of FNA Local 713, FIU will, on a semi-annual basis, provide a list of employees with the employee name, work address, classification title, gross salary, and date of hire for each employee.

3.7 The University shall provide FNA with the website address where it can view FIU personnel regulation, policies and this collective bargaining agreement.

3.8 Negotiations - FNA agrees that all collective bargaining is to be conducted with FIU representatives designated for that purpose by the University. FNA Local 71 may designate in writing no more than two (2) employees to serve on its negotiation committee and no more than one (1) employee to serve as an alternate for a committee member who is unable to attend a negotiating session. The selection or attendance of any employee shall not impede the operations of the work unit.

3.9 Leave for Negotiating and Other FNA Local 713 Activities

(a) Employees shall have the right to request use of accrued vacation leave, in writing, for the purpose of attending FNA conventions, FNA conferences, consultation meetings, and collective bargaining negotiation sessions. The use of such leave shall be governed by the same policy as any other vacation leave; provided, however, that the use of such leave shall not impede the operations or staffing of the University. When the request for vacation leave for the purposes of attending collective bargaining negotiation sessions or consultation meetings is denied, the supervisor shall provide such denial in writing.

(b) For each round of negotiations, administrative leave shall be granted to the FNA bargaining committee member for purpose of attending the negotiations. Committee members shall not be reimbursed by the University for travel, meals, lodging, or any other expense incurred in connection with attendance at the negotiating sessions.

ARTICLE 4 GRIEVANCE AND ARBITRATION PROCEDURE

4.1 In a mutual effort to provide a harmonious working relationship between the parties to this Agreement, it is agreed that this Article delineates the procedure for the resolution of grievances between the parties arising from any alleged violation of a specific term of this Agreement with the exception of Article 10 Training and Education, Article 11 Classification Review, Article 12 Internal Recruitment, Promotions, Demotions and Transfers, Article 13 Miscellaneous, Article 14 Performance Excellence Process, and Article 20 Maintenance of University Regulations and Policies which are not subject to the Grievance and Arbitration Procedure but shall be governed by the provisions of the Neutral, Internal Resolution of Policy Disputes.

4.2 For the purpose of this Agreement, a "grievance" is defined as a dispute, claim or complaint that any employee or the Union may have as to the interpretation, application, and/or alleged violation of provision(s) of this Agreement which is subject to the Grievance Procedure. Only the FNA Local 713 may file a request for arbitration as described in Step 3 of this Article.

4.3 For the purpose of determining deadlines for actions as set forth in this Article, the parties agree that, if said deadline falls on a weekend or a University recognized holiday, the deadline for said action shall be on the following day. Every effort will be made by the parties to settle all grievances as soon as

possible. The time limits set forth shall be strictly complied with and can only be extended by mutual agreement of the parties in writing. Mutual agreements may be evidenced by email exchanges. Any grievance shall be considered settled at the last level considered if the grievant fails to timely process the grievance to the next level. The date of receipt shall not be included in the count of days. Compliance with any time limit under this Article shall be determined by the date-stamped receipt executed by the office receiving the grievance or the person receiving the decision.

4.4 The commencement of legal proceedings against University in a court of law or equity, or before the Public Employee Relations Commission, for misapplication or misinterpretation of the terms of this Agreement, shall be deemed an election of remedy and shall be a waiver by the party commencing the proceeding of its/their right to resort to the Grievance and Arbitration Procedure contained in this Article and any grievance that has already been filed over the same subject will be dismissed. The filing of a grievance constitutes a waiver of any rights to judicial review of agency action pursuant to Chapter 120, Florida Statutes, or to the review of such actions under other University procedures available to address such matters. The commencement of proceedings pursuant to Section 120.57, Florida Statutes, for misapplication or misinterpretation of the terms of this Agreement shall be deemed an election of remedy and shall be a waiver by the party commencing the proceeding of its/their right to resort to the Grievance and Arbitration Procedure contained in this Article and any grievance that has already been filed over the same subject will be dismissed. Except as otherwise stated, the Grievance and Arbitration Procedure is the sole remedy for any alleged violations of this Agreement.

4.5 In the event that the grievance involves an act or omission which could be handled by either this Article or the Neutral, Internal Resolution of Policy Disputes, the filing of a grievance under this Article constitutes a waiver of the filing of a complaint under the Neutral, Internal Resolution of Policy Disputes.

4.6 Grievances shall be processed in accordance with the following procedures:

(a) STEP 1:

The grievant shall present in writing his/her grievance to the appropriate supervisor within fourteen (14) days of the occurrence of the action giving rise to the grievance, or the date on which the employee knew or reasonably should have known of such act or omission if that date is later. The Step 1 form (attached in Appendix B) must be submitted in writing and shall be signed by the grievant(s). Discussions will be informal for the purpose of settling differences in the simplest and most effective manner. (The grievant shall have the right to representation by FNA.) The supervisor shall communicate a decision in writing to the grievant within fourteen (14) days from the date the grievance discussion took place. Failure of the supervisor to timely respond shall be considered a denial of the grievance and shall entitle the grievant to appeal to Step 2.

(b) STEP 2:

(1) Filing. If the grievance has not been satisfactorily resolved at the Step 1 or the supervisor has failed to respond within the Step 1 deadlines, the grievant or FNA may (upon request of the grievant) proceed to Step 2 by filing a fully executed Step 2 form which is attached in Appendix B. The Step 2 form must be filed with the Vice President of Human Resources or designee within fourteen (14) days after receipt of the Step 1 decision by the grievant and/or grievant's representative or when the answer was due in the Step 1 process.

(2) Meeting. The Vice President for Human Resources or designee shall investigate the alleged grievance and shall, within twenty (20) days or other mutually agreeable date of receipt of the written grievance, conduct a meeting between the Vice President for Human Resources or designee, other University representatives as necessary, the grievant and/or the grievant's Union representative. At the

Step 2 meeting, the grievant shall have the right to present any evidence in support of the grievance. The parties present at the Step 2 meeting shall discuss the grievance. Any party bringing legal counsel to the Step 2 meeting shall provide at least ten (10) days' advance written notice to all other parties. The grievant may bring an interpreter to the Step 2 meeting at his or her own cost.

(a) Documents. In advance of the Step 2 meeting, the grievant shall have the right, upon written request to the Vice President of Human Resources or designee, to a copy of any identifiable documents relevant to the complaint.

(b) Decision. The Vice President for Human Resources or designee shall notify the grievant of a decision in writing no later than fourteen (14) days following the meeting. A copy of the decision shall be sent to the grievant, the grievant's representative and FNA (if grievant elected self-representation or representation by legal counsel). Failure of the Vice President for Human Resources or designee to timely respond shall be considered a denial of the grievance and shall entitle the grievant to appeal to Step 3.

STEP 3:

If a grievance has not been satisfactorily resolved at Step 2 if or the Vice President of Human Resources or designee has failed to respond within the Step 2 deadlines, the FNA may proceed to Step 3 by filing a fully executed Step 3 form which is attached in Appendix B. The Step 3 form must be filed with the Vice President of Human Resources or designee within twenty (20) days after receipt of the Step 2 decision by the FNA or when the answer was due in the Step 2 process. (The Step 3 form will be considered as filed if received by the Vice President of Human Resources or designee by the close of business on the last day that the form can be filed through an email, hand deliver, overnight delivery, facsimile, or U.S. mail.) The grievance may be withdrawn by the FNA at any point prior to issuance of the Panel's decision by providing written notification to the Vice President of Human Resources or designee.

(1) The parties hereby agree that the arbitration selection procedure will be as follows:

(a) Within fourteen (14) days following the receipt of the Step 3 form, the Vice President of Human Resources or designee shall notify the American Arbitration Association (AAA) of the filing of the grievance and request a list of five (5) arbitrators sent to each party.

(b) Each party shall alternatively strike arbitrators from the list until one remains with a coin toss used to determine which party strikes first. The party requesting arbitration shall notify AAA of the party's selection.

(c) The parties will select the arbitrator within fourteen (14) days after receipt of the list of arbitrators.

(2) Authority of the Arbitrator.

(a) Unless the parties agree in writing to the contrary, only one grievance may be submitted to the arbitrator at any one hearing.

(b) The arbitrator shall not add to, subtract from, modify, ignore, or alter the terms or provisions of this Agreement, or the provisions of applicable law, rules, or regulations having the force and effect of law. The arbitrator shall not have the power to limit or interfere in any way with the powers, duties, and responsibilities of the University under applicable law, rules, and regulations having the force and effect of law. The arbitrator shall be confined solely to the application and/or interpretation of the Agreement and the precise issue(s) submitted for arbitration. The arbitrator shall determine each dispute in accordance with the terms of this Agreement and in accord with a "Submission Agreement," if one can be agreed to. If there is no Submission Agreement, then the arbitrator will rely on the grievances as written under Step 2 of this Agreement.

(c) Where a University official has made a judgment involving the exercise of discretion, the arbitrator shall not substitute its judgment for that of the University official. Nor shall the arbitrator review such decision except for the purpose of determining whether the decision has violated the

Agreement.

(3) The Hearing. The arbitrator shall hold the hearing in Miami-Dade County unless otherwise agreed by the parties. The hearing shall commence within sixty (60) days of the arbitrator's acceptance of selection, or as soon thereafter as is practicable. The parties shall stipulate to the issue(s) prior to the hearing before the arbitrator. If the parties are unable to stipulate to the issue(s) prior to such hearing, the parties shall proceed to a hearing on applicability of this procedure based on either procedural or substantive concerns ("applicability"). Issues of applicability shall be bifurcated from the substantive issues and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing on applicability to render a decision on the applicability issues. If the process is judged to be applicable to the complaint, the arbitrator shall then proceed to hear the substantive issue(s) in accordance with the provisions of this Agreement.

(a) The arbitrator shall rule on arbitrability before issuing a decision on the merits. If a lawsuit is filed over arbitrability, the arbitration shall not commence until the lawsuit has terminated in the trial court. If the grievance was found to be arbitrable, then the grievance would be assigned to another arbitrator using the same process as used for selecting the first arbitrator.

(b) The arbitrator shall issue the decision within thirty (30) days of the close of the hearing on the substantive issue(s) or the submission of briefs, whichever is later, unless additional time is agreed to by the parties in writing. The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. Except as expressly specified in this Article, the provisions of the Florida Arbitration Code, Chapter 682, Florida Statutes, shall not apply. Except as modified by the provisions of this Article, the arbitration proceeding shall be conducted in accordance with the Labor Arbitration Rules and Procedures of the American Arbitration Association.

(c) In rendering the decision, the arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of whether the act or event giving rise to the grievance violated a provision of this Agreement.

(d) If the arbitrator determines that an Article has been violated, the arbitrator shall direct the University to take appropriate action. The arbitrator may award back salary where the arbitrator determines that the employee is not receiving the appropriate salary from the University, but the arbitrator may not award other monetary damages or penalties. The arbitrator shall have no power to establish wages, rates of pay for new jobs, or to change any wage, unless the arbitrator is specifically empowered to do so by both parties in writing. An arbitrator's award may be retroactive based on the equities each case may demand, but in no case shall an award be retroactive to a date earlier than thirty (30) days prior to the date the grievance was originally filed in this Article.

(e) The decision or award of the arbitrator shall be final and binding upon the University, FNA, and the grievant provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction.

(4) Venue. For purposes of venue in any judicial review of an arbitrator's decision issued under this Article, the parties agree that such an appeal shall be filed in the courts in Miami-Dade County, Florida unless both parties specifically agree otherwise in a particular instance. In an action commenced in Miami-Dade County, neither the University nor FNA will move for a change of venue based upon the defendant's residence in-fact if other than Miami-Dade County.

(5) Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the parties unless mutually agreed otherwise. Each party shall bear the cost of preparing and presenting its own case. Expenses of obtaining a hearing room, if any, shall be equally divided between the parties. The cost of the written transcript, if requested by both parties, will be shared by both parties.

- 4.7 The following general rules are applicable to this Article:
- A. The grievant or the FNA may abandon or settle a grievance.
 - B. The grievant or the FNA shall have only one opportunity to amend or supplement the grievance. No grievance can be amended or supplemented after Step 2.
 - C. Only grievances based on events or occurrences which occur after the date of the execution of this Agreement can be processed under this Article. After the expiration of this Agreement, there is no duty upon University to process any grievance unless the facts upon which the grievance is based occurred prior to the expiration of the Agreement. The arbitrator shall not receive into evidence nor rely upon any past practices that occurred after the date of the execution of this Agreement.
 - D. In contract interpretation, the burden of proof is on the grievant. In such cases, the preponderance of evidence standard is applicable.
 - E. No grievance informally resolved or by using the process described in this Article shall constitute a precedent for any purpose unless agreed to in writing by the University Vice President or designee, the grievant, and FNA.
 - F. Filings and Notification. All documents required or permitted to be issued or filed pursuant to this Article may be transmitted by fax, United States mail by certified mail with return receipt requested, or any other recognized delivery service that provides documentation of delivery to the recipient. An e-mail is not an acceptable form of delivery unless otherwise noted in this Article.
 - G. Reprisal. No reprisal of any kind will be made by the University or FNA against any grievant, any witness, any FNA representative, or any other participant in the Grievance and Arbitration Procedure by reason of such participation.
 - H. Records. In the event an employee files a grievance under this Article, the employee has the right to one (1) copy of their personnel records at no cost. All written materials pertinent to a grievance shall be maintained separately from the evaluation file of the grievant or witnesses, except (1) at the request of the grievant or witness that specific materials be included in his or her own evaluation file, or (2) where the terms of the decision or a settlement direct that a copy of the decision or settlement agreement be placed in the evaluation file of a grievant or witness. All decisions or settlement agreements resulting from grievances processed pursuant to this Article shall specify whether or not a copy of the decision or settlement agreement is to be placed in the evaluation file(s) of any grievant or witness.

ARTICLE 5 LAYOFFS

- 5.1 Employees may be laid off due to adverse financial circumstances; reallocation of resources; reorganization of administrative structures, programs, or functions; curtailment or abolishment of one or more programs or essential functions; or shortage of work. In the event of a reduction-in-force, FIU will consider a number of relevant factors in determining selections for layoff, the public interest being of prime importance. Factors to be considered include:
- (a) Training, experience and position, including certifications.
 - (b) Employee's overall performance/disciplinary record.
 - (c) Seniority.
- 5.2 As between two employees, if one and two above are relative equal, then seniority shall prevail.
- 5.3 As determined by FIU, layoffs may be confined to a department(s) or any other organizational subdivision of FIU.
- 5.4 Laid-off employees shall have recall rights only to the positions that the employees held

immediately prior to being laid off within the bargaining unit. Recall rights are limited to one (1) year following the layoff. During this period, no new employee will be hired by the layoff unit for the position that the affected employee had previously held until the laid-off employee has been offered and rejected the recall.

5.5 Any employee offered recall at his/her last known address must contact FIU and agree to return to work within twenty-one (21) calendar days or forfeit all recall rights.

ARTICLE 6
SAFETY

6.1 FIU shall make every reasonable effort to provide employees a safe and healthy working environment. FIU and FNA Local 713 agree to work cooperatively toward reducing job-related injuries and workers' compensation costs by encouraging improved safety measures.

6.2 When an employee believes that a condition exists at the University which is a violation of an established health or safety rule, or which is a hazard to persons or property, such condition shall be reported immediately to the appropriate supervisor or supervisor's designee. The University shall investigate the report and respond to the employee in a timely manner.

6.3 Complaints which arise under this section shall be grievable, but only to Step 1 of the grievance procedure of Article 4.

ARTICLE 7

The performance-based salary increase shall be distributed in accordance with the employee's overall rating on the 2014-2015 PEP provided that the employee has achieved a 3-“Fully Meets” or better. The increase will be based upon the employee's base rate of pay and in proportion to their full-time equivalency (FTE). The increase should be effective on the first pay period in July 2015.

7.4 Effect of Any Legislative Increases. Any wage increase or bonus provided by the Legislative appropriations for the 2014-2015 fiscal year, 2015-2016 fiscal year, or 2016-2017 fiscal year shall count toward any salary increases described in 9.1, 9.2, or 9.3 respectively.

7.5 Contract and Grant-Funded Employees. Employees on contracts or grants shall receive salary increases provided that such salary increases are permitted by the terms of the contract or grant and adequate funds are available for this purpose in the grant or contract.

7.6 Additional Salary Increases. Nothing contained herein shall prevent FIU from providing salary increases beyond the increases specified above. These increases may be provided for market equity considerations, including verified counteroffers and compression/inversions; increased duties and responsibilities; special achievements; litigation/settlements; and similar special situations. The University agrees that it will meet and confer with FNA prior to the implementation of any such salary increases. FNA acknowledges that this meeting is not a requirement to bargain over the changes.

ARTICLE 8 DUES DEDUCTION

8.1 During the term of this Agreement, FIU will deduct FNA dues and other authorized deductions in an amount established by the FNA and certified in writing by FNA to FIU, from employee's pay for those employees who individually make such request on the deduction form provided by FNA included as Appendix A. Such deductions will be made by FIU when other payroll deductions are made and will begin with the paycheck for the first full pay period following receipt of the authorization card by the University.

8.2 FNA shall advise FIU of any increase in dues or other authorized deductions in writing at least thirty (30) days prior to its effective date.

8.3 This article applies only to the deduction of membership dues and shall not apply to the collection of any fines, penalties, or special assessments.

8.4 FIU will not be required to process Dues Deductions Authorization Forms that are: (1) incorrectly and/or incompletely filled out; (2) postdated; or (3) submitted to FIU more than sixty (60) days following the date of the employee's signature.

8.5 Deductions of dues and other authorized deductions shall be remitted exclusively to FNA by FIU within thirty (30) days after the deductions are made, or as soon as practical thereafter, along with a list containing the names of the employees from whom the remittance is made.

8.6 In the event an employee's salary earnings within any pay period are not sufficient to cover dues and any other authorized deductions, it will be the responsibility of FNA to collect its dues for that pay period directly from the employee.
