HIRING FWS STUDENTS: SPRING
Returning FWS Hire:  (Returning FWS hire is defined as a FWS that worked for the University and/or your department less than 1 year ago)

If your FWS student is returning to work the same position as the Fall, the initial FWS hire form must have shown that they were awarded Federal Work Study funds for both, Fall and Spring. If this is the case, then Employee Records will automatically rehire them based on a spreadsheet from Financial Aid. You will not need to submit another FWS hire form for Spring in this case.

Further instructions may be found in the following page.

New FWS Hire:  (A New FWS hire is defined as a brand new FWS that DID NOT work for the University and/or your department within the last year)

In order to hire a FWS student new to the University or inactive for 1 year or more and awarded FWS funds for Spring, the following steps must be followed:

1. FWS student must apply to the “FWS Student POOL (Spring 2018)” – Job ID# 513482
2. Then you must contact Stephanie Felisme at sfelisme@fiu.edu in TAM HR with the student’s name, Panther ID#, and your FWS Job ID# or FWS Position# for which they will be hired on.
3. Once this information is provided, the FWS student’s application will be linked to your specified FWS Job ID#.
4. Once the student’s application has been linked to the correct FWS Job ID#, you will then be notified and can then submit the FWS hire form for the applicant.
5. The Recruiter will confirm the start date in the official job offer, however they must accept their offer online and submit all new hire documents in a timely manner to start working.

Further instructions may be found in the following page.
