FIU Service and Recognition Awards Ceremony 2014
The people of FIU make it possible. Every breathtaking discovery. Every joyous Commencement. Every innovative community partnership. Every gleaming building.

Of our faculty and staff hired in 1973, the following are still here with us celebrating more than 40 years of dedicated service: Lillian Lodge Kopenhaver and Florentin Maurasse.

They’ve participated in four decades of dizzying change. They’ve said goodbye to colleagues, friends and students even as they’ve welcomed their successors, each of whom arrived at FIU like they did — with hearts and minds filled with anticipation for what was to come. They are constants at an institution whose mission embraces change — transforming minds, transforming individuals and communities.

For many of us, FIU is a place we’ve never gotten over. It’s a place where we can find our passions, follow them and help others as they endeavor to do the same.

It is thanks to people like Lillian and Florentin, individuals who have welcomed and shaped change for four decades, that FIU has been able to ensure that what matters most survives and thrives even as so much shifts around us.
Florentin Maurasse
Professor
Department of Earth
and Environment

FIU is proud to have faculty and staff who not only embrace our philosophy of being *WorldsAhead*, but embody it. Their dedication, drive and commitment extend beyond the university, impacting our community in ways real and relevant. We thank them for making FIU an institution of possibility and innovation.
